

HEALTH CARE FOR AMERICA NOW!

Instructions for House Parties

Thank you for signing up to host a house party! Your party will make a difference by generating letters to your members of Congress and engaging more people in our campaign to win quality, affordable health care we can count on.

Here are the instructions for publishing your event on our web site.

1. Go to www.healthcareforamericanow.org.
2. Click on the “Find Events” box in the right hand column of the home page.
3. Above the event search, you will see a link that says “Plan an Event” under the title, “Event Central.” Click on “Plan an Event.”

Follow these steps:

- Step 1: Enter your zip code and choose “House Parties” from the dropdown list.
- Step 2: You will be prompted to create an account with your email address and a password.
NOTE: If your email is already in our system, then you may already have an automatically generated password. Use the link “I forgot my password” to get it emailed to you.
- Step 3: Fill out the details for your event. You can make the party open for people to contact you with RSVP’s or not. Make sure to enter good directions.
- Step 4: Invite your friends by entering emails in the invite form.

Thanks again and please contact us at info@healthcareforamericanow.org if you have any questions.
